

The San Lorenzo Valley Nutrition Services allows students and/or parents to put money on your students account in person or online. Students may charge a meal if they have forgotten their money, or if they have no money left on their account. Students may charge up to two meal on their account for **meals only**. Students will not be allowed to charge for ala carte purchases. Once a student reaches two meal charges, he/she will no longer be allowed to charge meals until his/her account is paid in full. When your student brings in money to add to their account, the negative balance will be cleared before any payment is recorded. Negative balance letters are sent home on a regular basis when your student owes money.

You may be able to view your student activity for the past thirty days and set up low balance reminders by logging into MySchoolBucks.com

If you have any questions, please contact Catherine Frost at (831) 335-5384.
